

## Looking for in-home care services?

**Home Care Referral Registry provides more choice,  
more flexibility, and more independence.  
Let us find the perfect match for you!**

The Referral Registry is a web-based service, used to match those who need in-home long term care services with pre-qualified, pre-screened individual providers that are ready to work.

### **The Referral Registry offers:**

- ✓ The advantage to select, supervise and have more flexibility in choosing your care giver.
- ✓ No fee enrollment and access to the HCRR when you need a Provider.
- ✓ Local support to assist you throughout the selection and hiring process.
- ✓ Prescreened, qualified Providers that are matched to your specific needs.
